GOD INCARNATE, VEIL THY SPLendor

$\text{♩} = 110$

1. God In-car-nate, veil Thy splen-dor, in the cloud re-veal Thy light;
 2. Li-on of the tribe of Ju-dah, Lamb of God up-on the throne,
 3. Joy-ful throngs of earth and heav-en, loud-ly hymn your Sa-rior's praise;

come in all Thy pow'r and glo-ry; end this long and wear-y night.
 our Re-deem-er strong and might-y, ru-ling all the world a-lone,
 men and an-gels join in cho-rus, heart and voice u-nit-ed raise!

Lord our God, to Thee, Al-might-y, all the earth shall in-cense bring!
 Lord of all the hosts of heav-en, in Thy pres-ence we a-dore.
 Earth and sky with joy re-sound-ing, in far-ech-oi-ing songs pro-claim,

Al-le-lu-ia! Al-le-lu-ia! Songs of praise tri-um-phant sing!
 Al-le-lu-ia! Al-le-lu-ia! Sing His prais-es ev-er-more!
 Al-le-lu-ia! Al-le-lu-ia! Shout the prais-es of His name!
